Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Monday 20 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A lot of dry, bright weather Tuesday but freshening winds.

This Evening and Tonight:
All parts will have a dry night with clear periods. Some mist and fog patches will form later tonight in rural spots as winds become light. Minimum temperature 7 deg C (45 deg F).

Tuesday:
A dry and bright day coming up with sunny spells. Cloudier skies will edge across from west later. Feeling quite warm in the sunshine. Freshening southwesterly winds. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
A more changeable few days. Rain for a time Wednesday then sunshine and scattered showers on Thursday and Friday, heavy at times. Also turning cooler and windier than of late.
